Town Will Own Police Horses

Gusher Yields Big Revenue

700 Barrel Well Owned By One Man

Still producing 700 barrels daily, the No. 2 oil well on the William Meek farm, Washington county, near Dunn's Station, where a strike was made four weeks ago, is proving one of the most remarkable producers in the history of Western Pennsylvania.

As a financial proposition it promises to bring greater returns than larger gushers during the days of the great oil excitement in Washington county.

To date it is estimated that the well has made more than $104,000, the total production in three weeks having been 67,000 barrels. The greatest yield for one day was on the first when more than 2,000 barrels flowed from the well. The smallest has been slightly less than 700 barrels.

More than a quarter of a century ago when the oil excitement was at its heighth, it would have required a gusher of about 20,000 a day to have produced a financial return equal to that of the Meek No. 2. Oil then sold for less than a dollar a barrel and today it is bringing $6.25.

Smith Watson, of Waynesburg is practically sole owner of the well. A company with a capitalization of $18,000 was formed. One hundred and eighty shares with a par value of $100 were sold. Of this number Myers and Long, drilling contractors who sunk the well took 69. The remainder were sold to various persons.

Believing that the venture was one of unusually good promise, Mr. Watson sought to buy all the shares of the company, finally purchasing all but three, or 177. One of these is owned by Mrs. Joseph Carpenter of Waynesburg and two by Daniel Anderson of Waynesburg.

Another Raid

Uniontown, Nov. 18.—Thirty hotel and bar keepers were arrested here today and about 20 more will be arrested tomorrow on warrants sworn out before local aldermen by the committee of one hundred charging them with violations of the dry amendment.

It is alleged that liquor has been flowing freely all over Fayette county, but District Attorney William A. Miller says that before the end of the crusade of the committee all the violators of the amendment will have been apprehended. The committee of one hundred is an organization of professional and business men and other citizens of Fayette county and has been in existence six months or more.

The committee states that not only the hotel and bar keepers, but also police officials, will be implicated before the close of the crusade Saturday night. The entire county will be searched, but Uniontown, Brownsville and Connellsville are expected to yield the majority of arrests.

Most of the men already arrested have been releasd on $1,000 bail each. They will receive a hearing later in Uniontown.

Will Bowl Tonight

On Friday, Nov. 19th, the crack bowling team of Monessen Council, under the leadership of Captain John Hanlon, will meet the fast Donora Council team, and a lively, exciting game is anticipated. Both teams have their eyes on that silver loving cup that goes to the champions of the valley, and are determined not to lose a single game. Friday night is visitors' night and a large crowd is expected. All Knights should get out and root their team to victory as lots of enthusiasm will give the bowlers the punch in a tight place.

On this same night, a Council league of four teams will be formed, and the captains Hanlon, Dudas, Ryan and McConaughy are requested especially to be in the Council rooms that night. As many other Knights as can possibly be there are asked to come in order to pick the teams and perfect the schedule for the season. A special trophy will be awarded to the champion of the Council League and all who know the ability of Tom Burns to select prizes will feel assured that it is worth striving for. So come, one and all, and help start the teams off with a rush.

Homemade Sweets for All

The Palace of Sweets, the old reliable confectioners are offering special for the week end and Thanksgiving that will appeal to lovers of good home made sweets. With the big drop in sugar prices they are able to offer candy now at pre-war prices. Specials for the week end will include nut carmels, mixed chocolates and nut clusters, fresh from the kitchen.

The Palace of Sweets is preparing for a busy season and tons of pure sweets will be manufactured here. Churches, secret orders and all other organizations wishing to secure candy at wholesale prices for Christmas treats, should communicate at once with the Palace of Sweets as they are in a position to offer a very low price on these orders. 11-fp

Taboo Snowballing

Prof. H. E. Gress, superintendent of schools, has given notice in every school room that snow balling will not be permitted by scholars going to and from school. There will be no time lost in giving explicit instructions to all that under no circumstances will this dangerous practice be tolerated. The ruling has been made in order to protect the small children going to and from the several buildings, who have been subjected to the greatest dangers on the part of carelessness and recklessness on the part of older scholars.

Already this year three children have suffered from injuries, one being struck on the eye, another on the side of the face, by flying snow balls. The children and parents are asked to cooperate in this "safety first" movement in order that it may be carried out with best effect and generally. If there is any defiance of the order Prof. Gress has made it plain that all who disobey will be punished accordingly.

Seriously Ill

Mrs. Martha Haworth of West Newton, fell a victim to paralysis early Tuesday morning of this week in Chicago. While her condition is not dangerous, her advanced years, 83, cause much apprehension on the part of her friends. Her entire left side is affected. Mrs. Haworth, in company with her niece, Mrs. Peter Sotus, was returning home from Council Bluffs, Iowa. When they reached Chicago, the aged woman was stricken. Mrs. Haworth, who formerly resided in Griswold, Iowa, had been visiting in the west for the past three months. She is a sister of Eben Baughman, Sr., of West Newton.

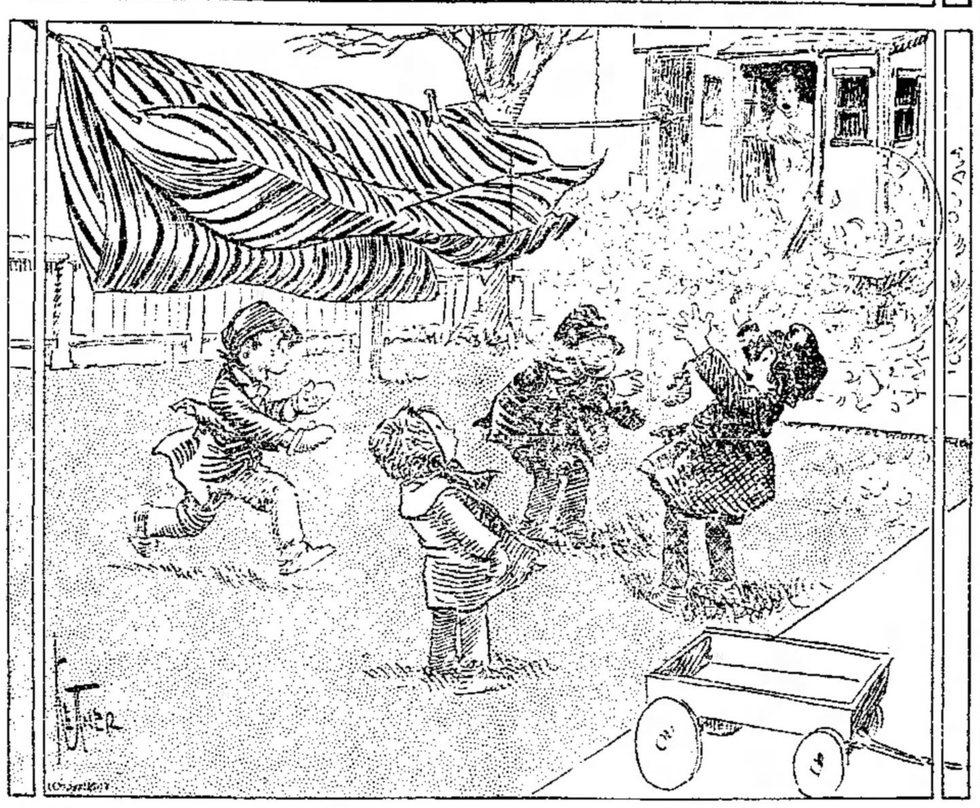
Shot By Highwaymen

Connellsville, Nov. 18.—On his way to a bank at Perrygopolis, 12 miles from here today, John Stofan, aged 18, was shot dead and robbed of $400 by highwaymen, who escaped. The young man, a son of Michael Stofin, a merchant of Wick Haven, procured the money from his father and started along the road leading to Perrygopolis. He placed the money in his car, it is said, and according to state police, he was shot down along the road by some one hiding behind a pile of rails.

Birthday Party

Thirty little girls and boys were delightfully entertained yesterday afternoon at the home of Mr. and Mrs. H. Eisenberg on McKee avenue and Oneida, the occasion being their daughter Ruth's eighth birthday anniversary. The little guests enjoyed a pleasant time in games and other amusements and a dainty lunch was served by Mrs. Eisenberg, who was assisted by Mrs. Jospe and Miss Stella Eisenberg. The honor guest was the recipient of many beautiful presents.

The First Flurry



COUNCIL AGREES TO KEEP MOUNTED POLICE FOR TWELVE MORE MONTHS

Council met last night with all members present except W. R. Stephens. The matter of a clearance on the police department was settled when Chairman Hunter introduced a proposition from the mills that they would agree to pay all bills for the equipment of the mounted police department together for maintenance up to December 1st, 1920, and upon the payment by the borough of $1.00, would turn over the twelve head of horses, providing the borough would agree to maintain it for a period of twelve months thereafter.

In the discussion that entered into the proposition, Mr. Butler, who has been bringing the matter to an issue stated that he felt that the town did not need to carry this extra expense when the finances are so depleted and that Monessen was the only town to his knowledge that was making any attempt to maintain a mounted police force.

By the figures shown it was estimated that it would take $488.05 extra to feed the horses and take care of the additional cost, which would approximate $6,000 annually. That could be saved to the taxpayers. When the vote was taken to accept the proposition of the mills, seven of the members present voted favorably, while Mr. Butler voted against it.

According to the status of the meeting, beginning with the first of the coming month, the twelve head of horses will become the property of the town and will be fed and kept at the cost of the tax payers for at least twelve months.

Chairman Hunter brought to the attention of Council that there was a movement on to build a hospital and that a committee had selected as a suitable location that portion of Ninth street park that faces Knox avenue. However, there was nothing of a definite nature made known and council took no action. It seems there has been no very great amount of work done on the project and so far there has not been a very general discussion of the matter and when Councilman Butler asked if the Board of Trade had taken any action no one seemed to know.

A committee composed of Messrs. Motz, Butler and Hunter was appointed to consult an attorney relative to presenting the franchise granted the street railway company to the Public Service Commission. A report is to be made at the next meeting of council.

Ralph Veschio agreed to pay the expense of widening the Reed avenue bridge approach adjoining his property and a committee was appointed to consult with George Starz etz about a similar arrangement at the other side of the bridge.

Council adjourned until the next regular meeting.

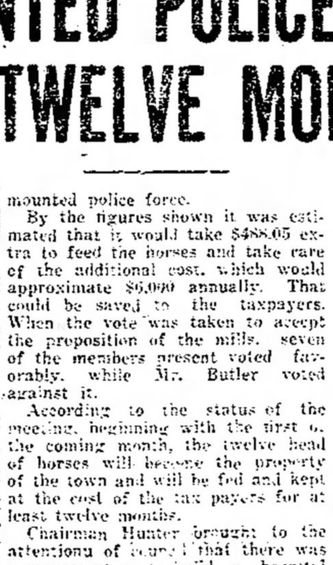
Killed By Truck

Albert Beadling, 7 years old, son of Moses Beadling, of Second street, Elizabeth, was killed yesterday when he fell beneath a large truck driven by William Fleming, 66 Melrose street, Northside. The boy was standing on the curb and fell beneath the rear wheels as the machine was passing. The driver was unaware of the accident until several pedestrians notified him. Fleming was ordered to report at the coroner's office.

A suit involving nearly $1,000,000 over a lease on the well property was decided yesterday in favor of D. A. Foster of McKeesport by Judge John F. Evans in Common Pleas Court. The court dismissed proceedings instituted by Fannie and Helen N. Hamilton demanding an accounting on gas taken from well No. 3, one of the first gushrs drilled in the McKeesport field a year ago. The plaintiffs alleged the lease of Foster did not include the lot on which the well was drilled. Judge Evans held that it did.

Washington, Nov. 18.—Jamaica ginger came under the prohibition ban today. Orders issued by Commissioner Williams of the internal revenue bureau, effective in 90 days, classes of ginger, or by whatever other name known, as an alcoholic preparation fit for use for beverage purposes and subject to prohibition regulations.

PEOPLE OF OUR TOWN



When Folks want Anything Done to go to J. Linder Page, for he's a Notary, Horse Power Booster and Salesman with his Time and Money for Anything to Better the Town. On Hobbies he rides Boosting as how I Will Do Anything for the Best Things for Folks and All of Us Has This would be a Hot Town if it Was a Town.

New Building Code

Harrisburg, Nov. 18.—Three classes of buildings will be covered in the new building code on which work was started today by the mass conference of ten engineers, contractors and builders with Dr. Clifford B. Connelly, commissioner of labor and industry. It was decided to have three sub-committees instead of one, as originally planned, to work under the master committee, with one handling assembly buildings, another residence buildings and the third business buildings.

It is planned that buildings should be classified according to occupancy and structure and sub-divisions of committees will work on different types of buildings, as hotels, office buildings and theatres. A committee on standards will draft detailed construction requirements.

The proposed code will have statutory application, but its administration in first, second and third class cities will be placed in the hands of local officials. In towns and cities having no qualified building inspectors the enforcement will be in charge of the State Department of Labor and Industry.

ATTENTION TURNERS

A special meeting will be held on Sunday, November 21, at 2 o'clock sharp. New business.

40-2t-fp By Order of President.

High School Prepares For Championship

Monessen High school football team exhibited more pep in practice last night than they had shown at any time this year. They were placed on the offensive and in twenty minutes of sharp scrimmage carried the ball over from the thirty yard line ten times. They were held for downs but once and this was the result of Schrading's failure to get the signal. The interference of the backs was excellent, that of Veschio and Schrading being particularly noticeable, each team getting two or three men in a single scrimmage.

The line plunging of Veschio was the best he has done this year and Schrading, used in Schmidt's place, also made fine gains through the line. Ed. Anderson and Capt. Hannigan each made some brilliant runs around the ends and the team as a whole worked with more dash than at any preceding time this year.

Although the team has shown considerable improvement this week, yet there is still much to be done and the team will be sent through a long signal drill tonight. Coach Townsend will also spend part of the evening in instructing the team how to break up various trick plays that they may expect Uniontown to use. The evening will be spent in blackboard drill and a general discussion of tomorrow's game.

The Uniontown game promises to be one of the greatest ever played by a Monessen team and several hundred rooters will accompany the team. The local players are in a different mood from the team that went to Washington last year. Every vestige of conceit has disappeared and each man seems to be imbued with a determination to wipe out the stench left by last year's defeat at Washington. Coach Townsend is not overly optomistic about the outcome but believes that if his team shows the fight and pep in the game that has been manifested in practice this week they have good chances of taking over their fast and heavy opponents.

No football fan can afford to miss his chance to see this game. It will be exciting from start to finish. The teams are evenly matched and each will go into the game with a strong smashing attack and a variation of forward passes and trick plays. The game will not be decided in a quarter or a half, but the outcome will be uncertain until the referee's whistle blows to end the contest. Every loyal Monessen fan is urged to be present and help cheer the team to victory. Carlson will referee and Hicks will be umpire.

Following is the probable lineup of the local team:

L. E.—Hanlon.
L. T.—Layton or Moussiaux.
L. G.—Dudas.
C.—Lebowitz.
R. G.—Myford.
R. T.—Graff.
R. E.—C. Anderson.
Q.—Capt. Hannigan.
L. H.—Schrading or E. Andreson.
R. H.—Schmidt
F. B.—Veschio

Return to Greece

London, Nov. 19.—King Constantine today was reported preparing to leave Lucerne for Athens, having confirmed the report that the Queen Mother, Olga, had been appointed regent. Constantine and his staff were said to believe the way fully open for his return to Greece with his family.

Constantine was said to be convinced nothing could stand in the way of his resumption of the throne in view of the recent elections. The Allies cannot prevent him or his son from becoming the ruler, he declared.

Crown Prince Carol, of Roumania, joined the Greek royal family today. It was said that his betrothal to Princess Helen of Greece will be announced soon.

Injured in Accident

Mrs. R. L. Williams is in the Pittsburgh hospital suffering from injuries which she received last Monday night at Homestead when the car in which she was driving, struck a big truck. Mrs. Williams and her mother, Mrs. J. R. Bergaman, were on their way home at the time of the accident. They failed to see the approaching truck until it was too late to avoid a crash. Mrs. Bergaman escaped without any injury, while her daughter is suffering from cuts and bruises. Mrs. Williams' husband, who is on a hunting trip in Butler county, was notified and immediately returned to Pittsburgh. Mrs. Williams was Mary Bergaman before her marriage in February, and was a well known young lady of Monessen.

Candy Kirchen Specials

We do not quote prices this week on candies as we have made a general reduction in all homemade candies due to the fact that we are now buying sugar at a much lower price and are giving our customers the benefit by reducing all prices. We have just made five hundred pounds of fresh candy that will be offered for the week end and Thanksgiving and we will leave it to your own judgment as the quality of our products.

We are ready to receive orders for Christmas treats and churches and other organizations should leave their orders early as the prices now are as low as before the war. Special prices will be given on all such orders. We solicit your patronage and can assure you of the best at the lowest possible prices.

The Philadelphia Candy Kitchen

Former Officer Dead

Martin Kable, for many months an officer on the local police force, died yesterday in the Mercy hospital as the result of an accident several months ago. He was aged 31 years and single. After leaving Monessen he obtained a position at Cokeburg, where he resided until his illness. He was an upright youn man and had many friends here who will regret to learn of his death. The funeral will take place tomorrow afternoon. Interment will be made at Youngstown, near Latrobe.

Police Investigate

New York, Nov. 19.—Police investigating the $400,000 jewelry and fur robbery of Mrs. Charlotte King Palmer, former actress, intimated today that as the result of further information obtained from her they had identified at least one of the three robbers. He is believed to be a professional burglar.

Mrs. Palmer's physician reported that an X-ray examination had shown a bone was broken in each of her feet when she leaned down a stairway in trying to escape from the robbers, who seized her when she returned from a dinner party early Tuesday morning. She is still confined to her bed.

Insurance totaling only $53,000 was carried on the stolen articles. A pearl necklace said to be worth $300,000 was insured for $40,000.

It was learned today that Mrs. Palmer's home at Long Beach was entered by burglars about two weeks ago and imported whiskey which originally cost $1,000 was stolen.

Suit For $10,000

Mott J. Williams of Rostraver township, has brought suit against Frank Florina and Lina Morina to recover $10,000, representing the amount of money the plaintiff has been deprived of by reason of failure of defendants to live up to their contract giving Williams the right to mine and market coal. It is alleged a written agreement was entered into by the parties June 12, 1917. It is said the contract was totally disregarded by the defendants.

The Federation of Woman's clubs will hold a Rummage Sale Saturday in the new Rezner building on Schoonmaker avenue near Fourth street, the proceeds of which will be used for charity work. The room will be open Friday evening to receive anything of a nature to be sold including old or new clothing or pieces of furniture.

STOCK BUYING

The season of extravagant investment in all kinds of stock enterprises should be at an end. But it seems that the gas fever and other get-rich schemes are hardly out of the way before new fields are developed. The ship-by-truck movement is now being exploited by the salesman and communities are being visited in the hope of raising money to flaunt such an enterprise.

We read much of the proposition in some newspapers and within the past week a salesman has visited Monessen in an effort to secure subscriptions to promote a freight truck line to and from Pittsburgh, a distance of 70 miles, providing a freight service.

What the outcome of such an enterprise would be, or what service the people of the town would get, we are unable to say. But we do know that at least three or four individuals or companies have started the transportation by truck method and everyone has ceased to operate, therefore harships must have been encountered that destroyed the profit.

We also know that Monessen has subscribed more than its quota to chance schemes and has met a loss that cannot be easily reckoned. It is time now to draw the line; it is high time that our people keep clear of chance and put their money into local growing enterprises. There are plenty of investments here that pay good returns and are out of the chance class and are in the hands of good men who manage business affairs consistent with conservative methods.

Aside from that the town needs its money to promote many things that will work to general advantage We need church buildings that are larger and better; we need parks and playgrounds; young men's recreation rooms, a city hall, comfort stations, better streets and a lot of things before we need to help foster an experiment of any kind.

She Suffered From General Debility

Mother Lost Flesh and She Found Duties a Burden After Baby Came

EARLE'S HYPO-COD BROUGHT RELIEF

"I suffered from general debility and found myself very weak and losing flesh After baby came the work of course, increased and I scarcely seemed equal to it I felt tired all the time and everything worried me My appetite was poor and I had frequent headaches and nothing seemed to help me regain my strength

"I decided to try a bottle of Earle's Hypo-Cod because I knew some friends who were taking it with good results Since taking it I feel lots stronger I have gained in weight and my general health is much improved My appetite is also good and it seems I can do my housework easier and with a better grace Earle's Hypo-Cod has indeed helped me wonderfully and I am only too glad to recommend it to all for I know it is to be an honest medicine, and that it will give others the same results as it did me" declared Mrs. F. T Zessiger, 102 E. Wallace Ave., New Castle, Pa

There comes a time in most everybody's life when they become weak, nervous, rundown and in general poor health and nothing they take seems to do them any good It is at this time that they should give Earle's Hypo Cod a trial. Thousands of people have said it brought relief when all other remedies have failed. It is much more powerful say chemists, druggists and nurses The formula is on each bottle, and even though it is a very strong tonic it is very pleasant to taste and agrees with the most delicate stomach. Look for the name of the nationally known Earle Chemical Co on bottle which is assurance of quality.

Earle's Hypo-Cod is sold here by all good druggists and the leading druggists in all nearby towns

WOULD LIKE SECRET FOR LOOKING WELL

"Two weeks ago I weighed 96 lbs Now I weigh 105 lbs and feel perfectly well. Anyone I see suffering I tell them of what Mayr's Wonderful Remedy has done for me They all want to know what makes me look so well Your medicine has also been a real life-saver for my mother I cannot recommend it too highly for stomach trouble" It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded Craig's drug store and druggists everywhere

INFLUENZA

Guard the System against this Deadly Disease

The doctors say influenza in a virulent form of the past year will be prevalent again during the present season of wet and cold.

Now, as then, the danger is largely a matter of neglect. People lose their lives trying to "stick it out."

Watch for the symptoms—the cold, sore throat, chills and fever—and temperature. In addition to proper precautions—keep the bowels open. Rest is what the body needs. Bathe the throat and chest with warm water to open the pores, and dry thoroughly; apply Krew-Pina, rubbing well into the skin; also put it into the nostrils, mouth and ears, draw the bed clothes up over the nose to inhale the medicinal vapors given off by the ointment. Repeat at intervals of several hours.

Krew-Pina is invaluable for emergency and general family use. Scientifically compounded entirely of simple home remedies, such as Oil of Pine and other distillates, it is unusually effective and absolutely harmless as well. Try it for inflammations of all description, including croup, frost bite, tonsilitis, pneumonia, etc., and for stiff joints, burns, scalds, cuts and bruises. 30c and 60c jars—at your druggist's.

Free Sample OF Krew-Pina
WILL BE SENT TO ANY ADDRESS ON REQUEST.
THE KREW-PINA CO., INC.

YOU LOVE LIFE MORE

Takes on a different color when Your Blood is Rich and Free from Poison

TRY TAKING PEPTO-MANGAN

If You Feel Listless and Depressed, Your Blood is Clogged and Sluggish

Without knowing why, you find yourself feeling unhappy. You go around day after day half asleep. Interest in what is going on around you lags and life becomes dull. The beauty of radiant sunshine, lovely flowers and the entrancing miracles of life you miss entirely. Living, eating, sleeping, become more or less a bore.

That is what clogged, sluggish blood does to you. It poisons your thoughts. You are only half alive.

You need a good blood-enriching tonic. Take Pepto-Mangan for a few weeks and notice the big improvement. Pepto-Mangan is an agreeable tonic and is heartily endorsed by physicians.

Your druggist has Pepto-Mangan both in liquid and tablet form. Buy whichever you prefer; one has exactly the same effect as the other. Make sure you get genuine Pepto-Mangan. Ask for "Gude's" and look for the full name, "Gude's Pepto-Mangan" on the package. 1t

Lester Player Piano An Artistic Masterpiece

The player-piano has probably done more than any other agent to spread appreciation and knowledge of good music It has changed thousands upon thousands of dull, silent homes nto joyful, happy homes It has brought color and spirit into otherwise dull lives The player piano provides an endless scource of pleasure and entertainment—the most wholesome in the world

Pre-eminent among the leading makes stands the Lester Player Piano It is asignificant fact that in Philadelphia, one of the greatest art and music centers in America, there are more Lester Players in the homes than any other make

Unlike most players, the action of the Lester is designed only for the Lester Piano Both the player action and the instrument are completely made under one roof This, we believe, is the only proper method of manufacturing a player-piano Everything that human ingenuity and skill can do has been done to give Lester buyers the best instrument at the least possible cost

Many of the superior points found in the Lester Player Piano are exclusive—scientific improvements and refinements of mechanical detail that have been developed in the laboratory and designing departments of the factory They are fully protected by patents, and are not to be found in any other instrument

A brief resume of some of the features of this splendid instrument may be of interest and for that reason we set forth some of the points of Lester superiority.

1 The new accenter, found only on the Lester Player-Piano, permits you to bring out the full melody, or to accent any note at will

2 Perfect reproduction may be obtained from the softest pressure on the pedals, giving the same effect as when played lightly with the human fingers

3 No effort whatever is required to operate the Lester The action is responsive, easy and instantly responsive to every thought of the operator

4 The automatic tracking device insures perfect tracking It is strictly automatic in operation and does not get out of order

5 The Lester pause button makes possible a full stop at any chord or note, until resumption of regular time is desired

6 The Lester tuning is of metal throughout This is impervious to wear, temperature or climatic changes, and is far superior to rubber, which soon dries out, becomes brittle and rots

The Lester Player-Piano is so scientifically designed and so conscientiously made that it invariably outwears other player pianos, retaining the original purity of tone, ease of action and all the qualities that make it desirable years after the average player is worn out For this reason, it is the most economical player-piano you can buy
